RECIPIENT OF FIVE BOOK AWARDS OFFERS A BLUE PRINT FOR SPIRITUAL GROWTH AND TRANSFORMATION OF THE SELF, SOCIETY AND THE PLANET

Eliza Mada Dalian emerges as a powerful new voice in the fields of spirituality, energy medicine and personal transformation with her multi award winning spiritual guidebook and her groundbreaking new healing method known as DHM – Dalian Healing Method.

*“If you want to discover how to live as a fully conscious being in the world while simultaneously undertaking your spiritual journey, **In Search of the Miraculous**, a multi-award winner, contains the signposts to follow.”*

– **Jeanette J. Jennis**, US Review of Books

*“I enjoyed reading Mada’s book **In Search of the Miraculous: Healing into Consciousness**. It has the ring of authenticity and offers a simple and elegant map of the path of enlightenment.”*

– **Deepak Chopra**

It’s a bit unusual for any book to be the recipient of five book awards, but then again, **In Search of the Miraculous: Healing into Consciousness** isn’t your usual book. This deeply personal and heart-opening book, which took seven years to write, is filled with ageless wisdom. It offers a fresh new perspective on healing, awakening, and the human search out of fear, pain, and suffering. Accordingly, it was awarded as a finalist in the **Indie Book Awards** and **Indie Excellence Awards**, was recognized for its excellence in independent publishing by the **Eric Hoffer Award**, honored by the prestigious **Nautilus Award**, and was given the top prize as the **Book of the Year** in the **Living Now Book Awards**, recognizing the year’s very best lifestyle books that help readers attain healthier, more fulfilling and productive lives.

Affectionately known as “Mada,” Dalian is a self-realized spiritual teacher and master healer. In addition, she is the founder of a groundbreaking new healing method known as **DHM**, or *Dalian Healing Method*. Through this method, she brings a new approach to healing and spirituality, by first identifying the root cause of pain, illness, and energetic blocks and then miraculously removing old imprints and programs from the body’s cellular memory. The resulting outcome; a quick restoration of physical, mental, and emotional health, as well as profound spiritual transformation. Mada’s international travels bring a fresh new perspective on healing and spiritual awakening and offer clarity, guidance, and tools for transformation to both individuals and organizations.
